

**Northern United - Siskiyou Charter School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

The program parents select determine the degree to which the teacher is involved. ## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	21	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2020-2021)

Parent involvement in the governance of the school is made available through participation in the Board and the School Site Council. The Board currently has a parent member, and we will always seek to have parent representation on the Board. Board minutes and sign in sheets confirm parent participation. In addition to the Board, our School Site Council has parent members who contribute to our school governance.

Parent engagement groups are another way in which parents stay involved in NU-SCS. These groups are designed so that parents can meet regularly and share resources and ideas for working with their children at home. A NU-SCS staff member is present at these meetings to gather suggestions and feedback, as well as provide guidance about best practices for instructing students. With the implementation of these support groups, authentic, two-way communication occurs regularly between parents and teachers concerning the academic success of students at NU-SCS. Sign in sheets allow NU-SCS to account for parental involvement.

Other methods to encourage ongoing parental involvement at NU-SCS include, but are not limited to participation in the annual satisfaction and LCAP surveys; volunteering in the classroom; tutoring; attending parent-teacher conferences; attendance at charter school board meetings; participation in the planning of, or attendance at, fundraising or academic events, or other activities. A parent handbook is distributed to parents to inform them of all aspects of having a student enrolled in a nonclassroom based independent study charter school.

### State Priority: Pupil Engagement

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Northern United – Siskiyou Charter School adopted its school comprehensive safety plan on February 2, 2020. It was then reviewed and discussed with faculty and students. ## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Northern United - Siskiyou Charter School requires five full days of professional development of the teaching staff. Four of these days are provided to the teachers by the school and the fifth day is self-selected. The four days provided by the school are delivered at full-day pre and inservice days. The self-selected day may occur online or in-person by attending a conference or workshop provided by an outside agency, such as our county office. The professional development focuses on instruction in core subjects, school climate and culture, school safety, teaching strategies, and best practices. These topics are based on metrics reviewed during our LCAP meetings.
