Agenda Item 4. ACTION ITEMS TO BE CONSIDERED

Subject:

4.1 Adopt Resolution S2022-1: A Resolution of the Northern United Charter Schools Board of Directors Proclaiming a Local Emergency, Ratifying the Proclamation of a State Emergency by Governor Newsom, dated March 4, 2020, and Authorizing Remote Teleconference

Action Requested:

Approval

Previous Staff/Board Action, Background Information and/or Statement of Need:

In response to the COVID-19 Pandemic, Governor Newsom signed AB 361 into law, permitting public agencies to continue conducting meetings remotely in specific circumstances. It is requested that the NUCS Board of Directors adopt Resolution S2022-1 Authorizing Use of Remote Teleconferencing Provisions Pursuant to AB 361 and Government Code § 54953.

Fiscal Implications:

None

Northern United Charter Schools Board of Directors Resolution: S2022-1

AUTHORIZING USE OF REMOTE

TELECONFERENCING PROVISIONS (AB 361)

WHEREAS, the Northern United Charter Schools Board of Directors ("Governing Board") is committed to open and transparent government, and full compliance with the Ralph M. Brown Act ("Brown Act"); and

WHEREAS, the Brown Act generally requires that a public agency take certain actions in order to use teleconferencing to attend a public meeting virtually; and

WHEREAS, Northern United recognizes that a local emergency persists due to the worldwide COVID-19 pandemic; and

WHEREAS, the California Legislature has recognized the ongoing state of emergency due to the COVID-19 pandemic and has responded by creating an additional means for public meetings to be held via teleconference (inclusive of internet-based virtual meetings); and

WHEREAS, on September 16, 2021, the California legislature passed Assembly Bill ("AB") 361, which amends Government Code, section 54953 and permits a local agency to use teleconferencing to conduct its meetings in any of the following circumstances: (A) the legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; (B) the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or (C) the legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, in order for Governing Board to use teleconferencing as allowed by AB 361 after October 1, 2021, it must first adopt findings in a resolution, allowing the Governing Board to conduct teleconferenced meetings for a period of thirty (30) days; and

WHEREAS, Governor Gavin Newsom declared a state of emergency for the State of California due to the COVID-19 pandemic in his order entitled "Proclamation of a State of Emergency," signed March 4, 2020; and

WHEREAS, Governing Board hereby finds that the state and local emergencies have caused and will continue to cause imminent risks to the health or safety of attendees; and

WHEREAS, Governing Board is conducting its meetings through the use of telephonic and internet-based services so that members of the public may observe and participate in meetings and offer public comment.

NOW THEREFORE, BE IT RESOLVED, that the recitals set forth above are true and correct and fully incorporated into this Resolution by reference.

BE IT FURTHER RESOLVED, that the Governing Board has determined that given the state of emergency, holding in-person meetings would present imminent risks to the health or safety of attendees.

BE IT FURTHER RESOLVED, that the actions taken by the Governing Board through this Resolution may be applied to all Board committees governed by the Brown Act unless otherwise desired by that committee.

BE IT FURTHER RESOLVED, the Governing Board authorizes the School Director or their designee(s) to take all actions necessary to conduct Northern United meetings in accordance with Government Code section 54953(e) and all other applicable provisions of the Brown Act, using teleconferencing for a period of thirty (30) days from the adoption of this Resolution, after which the Governing Board will reconsider the circumstances of the state of emergency.

PASSED AND ADOPTED by the Northern United Charter Schools Board of Directors on this 10th day of March 2022, by the following vote:

Agenda Item 4. ACTION ITEMS TO BE CONSIDERED

Subject:

4.4 Adopt Second Interim Budget for NU-HCS

Action Requested:

Approval

Previous Staff/Board Action, Background Information and/or Statement of Need:

School districts and charter schools are required to file two reports during a fiscal year (interim reports) on the status of the LEA's financial health. The first interim report is due December 15 for the period ending October 31. The second interim report is due March 17 for the period ending January 31. County superintendents are to report to the Superintendent of Public Instruction and the State Controller the certification for all districts in their county within 75 days after the close of the reporting period.

The interim reports must include a certification of whether or not the LEA is able to meet its financial obligations. The certifications are classified as positive, qualified, or negative. A positive certification is assigned when the district will meet its financial obligations for the current and two subsequent fiscal years. A qualified certification is assigned when the district may not meet its financial obligations for the current or two subsequent fiscal years. A negative certification is assigned when a district will be unable to meet its financial obligations for the remainder of the current year or for the subsequent fiscal year. In addition, the Superintendent of Public Instruction may reclassify the certification of any county office of education or reclassify a certification based on an appeal of a school district in accordance with the above standards.

Fiscal Implications:

MEMORANDUM

TO: District Superintendents and Business Managers

FROM: Corey Weber, Assistant Superintendent of Business Services

SUBJECT: SECOND INTERIM CERTIFICATION AND REPORTING PACKAGE

Enclosed you will find the District Certification of Interim Report and the Board Reporting Package. Please review these materials thoroughly.

Education Code Section 42130 requires each school district to submit a Second Interim Report, for the period ending January 31. The governing board of the school district is required to approve the reports no later than 45 days after the close of the period and to certify in writing whether the district is able to meet its financial obligations for the remainder of the fiscal year and for the subsequent fiscal years.

The **District Certification of Interim Report** must be completed by **March 15** and returned to us as soon after as possible. Check the box *positive*, *negative* or *qualified* depending upon your board's action. If the district self-certifies a qualified or negative condition, transmit any backup material to us as well, as we are required in that case to forward the report to the California Department of Education and State Controller, together with any comment or backup material that we may have.

The **Board Reporting Package** includes the Interim Report, the Criteria and Standards document and a Form AI (Attendance) produced by the SACS Reporting Software, an All-Funds report, as well as a detailed Cash Flow supplement presented in a format developed by HCOE. As before, the Multi-Year projection information is also presented in the All-Funds format.

The Education Code, which prescribes the duties and responsibilities of county superintendents, requires us to complete a review and make conclusions as to each district's fiscal position by April 18. In the event our review does not support your board's positive certification, or if the board has already certified other than positive, we will communicate our findings to you by April 18.

If you have any questions about your document or would like any changes to the materials we have prepared for you, please do not hesitate to call me at 445-7066, or Kelley Withers at 445-5313. Please let us know if you would like us to review the substance of your Interim Report forms with you prior to your board meeting. Thank you.

Agenda Item 4. ACTION ITEMS TO BE CONSIDERED

Subject:

4.5 Adopt Second Interim Budget and Budget Resolution for NU-SCS

Action Requested:

Approval

Previous Staff/Board Action, Background Information and/or Statement of Need:

School districts and charter schools are required to file two reports during a fiscal year (interim reports) on the status of the LEA's financial health. The first interim report is due December 15 for the period ending October 31. The second interim report is due March 17 for the period ending January 31. County superintendents are to report to the Superintendent of Public Instruction and the State Controller the certification for all districts in their county within 75 days after the close of the reporting period.

The interim reports must include a certification of whether or not the LEA is able to meet its financial obligations. The certifications are classified as positive, qualified, or negative. A positive certification is assigned when the district will meet its financial obligations for the current and two subsequent fiscal years. A qualified certification is assigned when the district may not meet its financial obligations for the current or two subsequent fiscal years. A negative certification is assigned when a district will be unable to meet its financial obligations for the remainder of the current year or for the subsequent fiscal year. In addition, the Superintendent of Public Instruction may reclassify the certification of any county office of education or reclassify a certification based on an appeal of a school district in accordance with the above standards.

A-G Completion Improvement Grant Plan

Local Educational Agency (LEA) Name	Total Grant Allocation		
Northern United - Humboldt Charter School	\$150,000		

Plan Descriptions

A description of how the funds will be used to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility

To increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility, the funds will be used on professional development for teachers and tutors, additional A-G curriculum, additional A-G online courses, expansion of A-G visual and performing arts and world language elective course offerings, and additional support services for students, such as access to tutors.

A description of the extent to which all students, including foster youth, low-income students, and English learners, will have access to A-G courses approved by the University of California.

All students, including foster youth, low-income, and English learners, will have access to A-G courses approved by the University of California by only enrolling students in A-G courses, unless there are extenuating circumstances, providing professional development to staff, and providing additional supports to students, such as access to tutors.

The number of students who were identified for opportunities to retake A-G approved courses in which they received a "D", "F", or "Fail" grade in the 2020 spring semester or the 2020-21 school year and a description of the method used to offer the opportunity retake courses.

Number of Students: 18

Students identified by the school counselors as having received a "D" or "F" during the 2020 spring semester or the 2020-21 school year will be contacted individually by phone, email, Parent Square and by mail. This notification will explain A-G eligibility and the impacts if A-G eligibility and not met. The notification will also give options for retaking these courses, including during the school year and the summer.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan and Learning Recovery Plan.

This plan and described services, and associated expenditures, supplement services in the Local Control and Accountability Plan's Goal 1: Northern United - Humboldt Charter School will improve student performance outcomes in all academic areas. This goal has actions to employ highly qualified staff, content specialists, instructional aides, and school counselors, as well as offering high quality professional development and curriculum with the purpose of improving student performance outcomes by increasing rigor in our current courses, offering additional course options and increasing support for students who require it.

A-05 Financial Reports and Accountability Policy

Adopted on 3/19/2020

The Northern United Charter Schools' Board of Directors is committed to ensuring public accountability and the fiscal health of Northern United Charter Schools. The Northern United Charter Schools' Board of Directors shall adopt sound fiscal policies, oversee the Charter Schools' financial condition, and continually evaluate whether the Charter Schools' budget and financial operations support the Charter Schools' goals for student achievement.

The Northern United Charter Schools' School Director or designee shall ensure that all financial reports are prepared in accordance with law and in conformity with generally accepted accounting principles and financial reporting standards stipulated by the Governmental Accounting Standards Board and the California Department of Education (CDE). He/she shall establish a system of ongoing internal controls to ensure the reliability of financial reporting.

When required by law or the Northern United Charter Schools' Board of Directors, the Northern United Charter Schools' School Director or designee shall submit to the Board reports of the Charter Schools' financial status, including, but not limited to, any report specified in this Board policy. When any such report must be approved by the Board prior to its submission to a local, state, and/or federal agency, the Northern United Charter Schools' School

Director or designee shall provide the report to the Board in sufficient time to enable the Board to carefully review the report and meet any applicable submission deadline.

The Northern United Charter Schools' Board of Directors shall regularly communicate the Charter School's financial position to the public and shall use financial reports to determine what actions and budget amendments, if any, are needed to ensure the Charter School's financial stability.

If Northern United Charter Schools' conditions predict fiscal distress or indicate that the Charter School might not be able to meet its fiscal obligations, the Northern United Charter Schools' Board of Directors and the Northern United Charter Schools' School Director or designee shall act quickly to identify and resolve these conditions. The Northern United Charter Schools' Board of Directors shall work cooperatively with the County Superintendent of Schools to improve the Charter School's fiscal health and may contract with an external individual or organization to advise the School on fiscal matters.

Unaudited Actual Receipts and Expenditures

On or before September 15, the Northern United Charter Schools' Board of Directors shall approve and file with the County Superintendent a statement of the School's unaudited actual receipts and expenditures for the preceding fiscal year. The Northern United Charter Schools' School Director or designee shall prepare this statement using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI).

Gann Appropriations Limit Resolution

On or before September 15, the Northern United Charter Schools' Board of Directors shall adopt a resolution identifying, pursuant to Government Code 7900- 7914, the School's estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting.

Interim Reports/Certification of Ability to Meet Fiscal Obligations

The Northern United Charter Schools' School Director or designee shall submit two (2) interim fiscal reports to the Northern United Charter Schools' Board of Directors, the first report covering the Charter Schools' financial and budgetary status for the period ending October 31 and the second report covering the period ending January 31. The reports and supporting data shall be made available by Northern United Charter Schools for public review.

Within 45 days after the close of the period reported, the Northern United Charter Schools' Board of Directors shall approve the interim report and certify, on the basis of the interim report and any additional financial information known by the Board, whether the Charter School will be able to meet its fiscal obligations for the remainder of the fiscal year and, based on current forecasts, for the two (2) subsequent fiscal years. The certification shall be classified as one (1) of the following:

- "Positive certification" indicating that the School will meet its financial obligations for the current fiscal year and two (2) subsequent fiscal years
- "Qualified certification" indicating that the School may not meet its financial obligations for the current fiscal year or two (2) subsequent fiscal years
- "Negative certification" indicating that the School will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

The Northern United Charter Schools' School Director or designee shall submit a copy of each interim report and certification to the County Superintendent using the state's SACS software, as prescribed by the SPI.

If Northern United Charter Schools' certification is subsequently changed by the County Superintendent from a positive to a qualified or negative certification, or from a qualified to a negative certification, the Northern United Charter Schools' Board of Directors may appeal the decision to the SPI within five days of receiving the notice of change.

Whenever the Northern United Charter Schools receives a qualified or negative certification from the Northern United Charter Schools' Board of Directors or the County Superintendent, the Northern United Charter Schools' School Director or designee shall cooperate in the implementation of any remedial actions taken or prescribed by the County Superintendent under the authority granted to him/her pursuant to Education Code 42131.

If the second interim report is accompanied by a qualified or negative certification, the Northern United Charter Schools' Board of Directors shall, no later than June 1, provide to the County

Superintendent, the State Controller, and the SPI a financial statement as of April 30 ("third interim report") that projects the School's fund and cash balances through June 30.

At any time during the year when the County Superintendent conducts a comprehensive review of the Charter Schools' financial and budgetary conditions after he/she has determined that the Charter Schools' budget does not comply with state criteria and standards for fiscal stability, the Northern United Charter Schools' Board of Directors shall review the County Superintendent's recommendations at a public Board meeting. Within 15 days of receiving the report, Northern United Charter Schools shall notify the County Superintendent and the SPI of its proposed actions on the recommendation.

Audit Report

By April 1 of each year, the Northern United Charter Schools' Board of Directors shall provide for an annual audit of the Charter Schools' books and accounts.

To conduct the audit, the Northern United Charter Schools' Board of Directors shall select a certified public accountant or public accountant licensed by the State Board of Accountancy from among those deemed qualified by the State Controller.

The Northern United Charter Schools' Board of Directors shall not select any public accounting firm to provide audit services if the lead or coordinating audit partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for the School in each of the six (6) previous fiscal years.

No later than December 15, the report of the audit for the preceding fiscal year shall be filed with the County Superintendent, the CDE, and the State Controller.

Prior to December 15 whenever possible, but in no case later than January 31, the Northern United Charter Schools' Board of Directors shall review, at an open meeting, the annual School audit for the prior year, any audit exceptions identified in that audit, the recommendations or findings of any management letter issued by the auditor, and any description of correction or plans to correct any exceptions or any issue raised in a management letter.

The Northern United Charter Schools' Board of Directors shall have an opportunity at the meeting to ask questions of the auditor and request further information about the audit findings.

Audit Committee

The Northern United Charter Schools' Board of Directors may appoint an audit committee composed of staff knowledgeable about fiscal matters, other staff, and representatives of the community.

- The committee shall serve in an advisory capacity and may:
- Make recommendations regarding the selection of the external independent auditor in accordance with Education Code 41020 and 41020.5
- Review the plan for the audit process with the independent auditor to determine the adequacy of the nature, scope, and timetable of the audit

- Review the results of the audit and participate with the independent auditor and management in preparing final recommendations and responses
- Participate with the independent auditor in presenting the audit report to the Board
- Review Northern United Charter Schools' Board policies to recommend any revisions needed to ensure effective financial reporting
- Provide input on the effectiveness of the independent auditor
- Periodically report to the Northern United Charter Schools' Board of Directors regarding the status of previous audit recommendations for improving the accounting and internal control systems

Interim Reports

Each interim fiscal report developed pursuant to Education Code 42130 shall include an assessment of the Northern United Charter Schools' budget as revised to reflect current information regarding the adopted state budget, Charter School property tax revenues, if any, and ending balances for the preceding fiscal year.

The interim reports shall be based on State Board of Education (SBE) criteria and standards which address fund and cash balances, reserves, deficit spending, estimation of average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected local control funding formula (LCFF) revenue, salaries and benefits, other revenues and expenditures, and facilities maintenance. For purposes of assessing projections of LCFF revenue, the first interim report shall be compared to the adopted School budget, and the second interim report shall be compared to the projections in the first interim report.

The report shall also provide supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, contingent revenues, contributions (i.e., projected contributions from unrestricted general fund resources to restricted general fund resources, projected transfers to or from the general fund to cover operating deficits in the general fund or any other fund, and capital project cost overruns that may impact the general fund budget), long-term commitments, unfunded liabilities, temporary inter-fund borrowings, the status of labor agreements, and the status of other funds.

Audit Report

The Northern United Charter Schools' School Director or designee shall establish a timetable for the completion and review of the annual audit within the deadlines established by law.

The Northern United Charter Schools' School Director or designee shall provide the necessary financial records and cooperate with the auditor selected by the Northern United Charter Schools' Board of Directors to ensure that the audit report contains all information required by law and the Governmental Accounting Standards Board (GASB).

The audit shall include an audit of income and expenditures by source of funds for all funds of Northern United Charter Schools, including the student body and cafeteria funds and accounts, state and federal grant funds, and any other funds under the control or jurisdiction of the Charter

School, as well as an audit of student attendance procedures. The audit shall also include a determination of whether LCFF funds were expended in accordance with the Northern United Charter Schools' local control and accountability plan or an approved annual update of the plan.

If an audit finding results in the Northern United Charter Schools being required to repay an apportionment or pay a penalty, the Charter School may appeal the finding to the Education Audit Appeals Panel by making an informal summary appeal within 30 days of receiving the final audit report or initiating a formal appeal within 60 days of receiving the report.

While a public accounting firm is performing the audit of the Northern United Charter Schools, it shall not provide any non-auditing, management, or other consulting services for the Charter School except as provided in Government Auditing Standards, Amendment #3, published by the U.S. Government Accountability Office.

Fund Balance

In accordance with GASB Statement 54, external financial reports shall report fund balances in the general fund within the following classifications based on the relative strength of constraints placed on the purposes for which resources can be used:

- Non-spendable fund balance, including amounts that are not expected to be converted to cash, such as resources that are not in a spendable form or are legally or contractually required to be maintained intact
- Restricted fund balance, including amounts constrained to specific purposes by their providers or by law
- Committed fund balance, including amounts constrained to specific purposes by the Northern United Charter Schools' Board of Directors
- Assigned fund balance, including amounts which the Northern United Charter Schools' Board of Directors or its designee intends to use for a specific purpose
- Assigned fund balance, including amounts that are available for any purpose Negative Balance Report

Whenever Northern United Charter Schools reports a negative unrestricted fund balance or a negative cash balance in its annual budget or annual audit report, it shall include in the budget a statement that identifies the reasons for the negative unrestricted fund balance or negative cash balance and the steps that have been taken to ensure that the negative balance will not occur at the end of the current fiscal year.

Other Postemployment Benefits Report

In accordance with GASB Statement 75, Northern United Charter Schools' financial statements shall report the expense of non-pension other postemployment benefits (OPEBs) on an accrual basis over retirees' active working lifetime, as determined by a qualified actuary procured by the Northern United Charter Schools' School Director or designee. To the extent that these OPEBs are not prefunded, Northern United Charter Schools shall report a liability on its financial statements.

The Northern United Charter Schools' School Director or designee shall annually present the estimated accrued but unfunded cost of OPEBs and the actuarial report upon which those costs are based at a public meeting of the Northern United Charter Schools' Board of Directors.

Northern United Charter Schools' financial obligation for OPEBs shall be reevaluated every two (2) years in accordance with GASB 75.

Workers' Compensation Claims Report

The Northern United Charter Schools' School Director or designee shall annually provide the Northern United Charter Schools' Board of Directors, at a public meeting, information and related actuarial reports showing the estimated accrued but unfunded cost of workers' compensation claims. The estimate of costs shall be based on an actuarial report completed at least every three years by a qualified actuary.

Agenda Item 4. ACTION ITEMS TO BE CONSIDERED

Subject:

4.9 Approval of the Childhood Vaccination Requirements Related to In-Person Instructional Opportunities

Action Requested:

Approval

<u>Previous Staff/Board Action, Background Information and/or Statement of Need:</u>

With the Governor's announcement regarding a COVID-19 vaccination mandate for students, we should examine our current vaccination practices. SB277, SB276 and SB714 are laws that guide our current practices regarding student vaccinations, exemptions and in-person participation. The Board must decide whether or not students who are unvaccinated and do not have any waivers, exemptions, or exclusions may participate in in-person classes held by outside vendors.

Fiscal Implications:

None

Hello all,

Thank you for taking the time to go over this email so near to our meeting. My apologies that I couldn't get it to you sooner. I thought I'd give one more shot at supporting my position on vendor participation for all independent-study students regardless of vaccination status.

I value each perspective I've heard thus far and have appreciated the non-confrontational communication on the matter. To contribute to the many points I have brought up in previous board meetings in support of inclusivity for this education opportunity, I have only a couple last points I'd like to make in hopes of convincing a quorum motion in favor of vendor participation for all. I'll try to not be too long winded.

My first addition is related to a great point one of my fellow board members made in our most recent board meeting, on the leading factor for their personal standing regarding the matter. I do not intend to quote them, as I do not want to misrepresent them, so here is my take away from their reasoning:

As Northern United Charter School board members, we expect all of our students to follow our school's principles and meet our guidelines and expectations during any scenario in which they are associated with, therefore representing, our school. I resonate with this principle very deeply, and believe it is a highly moral and valuable perspective which nurtures responsibility and builds respectful citizens. The point I do not agree with is that the interpretation of this implies the expectation of our independent-study students to be vaccinated, because in choosing this educational model, families are not required by California law to be vaccinated, therefore can determine for themselves their vaccination status, so we should hold no expectation or create school policies which might persuade their choice one way or the other. Furthermore it is the last educational option that I am aware of which provides families their natural right to choose the method of medical care that is right for them in this regards, while still able to receive a state funded education and the much appreciated social and financial support there-from. Therefore I believe it is inappropriate for us to expect all of our enrolled independent-study students to be vaccinated and withhold from any of them the inherent privileges associated with this education model. I'm assuming we are all familiar with the constitutional right to free and equal education (1). Also, I could not find any California law that prohibits unvaccinated children from occupying public venues and if there were I personally believe it would interfere with their first amendment right to assemble.

My second and final point is related to the social and emotional wellbeing, as well as mental and physical health of our students. It is a great privilege and entitlement provided to our independent-study students to receive community classes and virtual learning as supplemental education (this is outlined in our instructional funds policy in the student handbook) and I believe if a primary concern is related to the health and wellbeing of our student population, as well as humanity as a whole, then settling with providing virtual supplementation alone to meet the needs and educational gaps of any independent-study student does not suffice. Due to the many health benefits related to an interactive learning environment, including

increased quality of life, more physical activity, stronger social abilities, and higher self esteem, I feel strongly that it is essential for all children to receive live, interactive group learning and physical education opportunities. Although, you may already be aware of the ample evidence pertaining to the benefits associated with in-person education, some of you may be less aware of the many negative effects associated with social isolation and virtual learning. These include increase in immune deficits, infectious illnesses, suicidal tendencies and mortality rates. On top of these are the potential for negative impacts on education and life-quality, including increased developmental deficits, reduction in cognitive functions, lower academic measures and success rates, and increased risk of substance abuse; all problems that persist well into adulthood (3, 4, 5, 6 & 7). Many families seek an alternative education model for various unique reasons and it is my suspicion that financial and social support plays a large role in them choosing to enroll with us and in charter schools at large. If we make the choice to withhold the use of their educational funds to be spent in this area or social opportunity, I believe we are projecting these potential negative health effects onto them, thus in a way acting in the contrary to our concerns for public health & safety. We should not omit any child for any reason from the moral educational aims of social and emotional wellbeing and health.

The links provided below are resources in support of the above points, and another to offer a bit of second hand in-sight on the various reasons why parents and families may choose not to vaccinate (2), to shed light where it may be lacking for some. It is not meant to persuade anyone on the controversial topic of whether children should or shouldn't receive immunization, rather to help humanize and nurture understanding of families like these in their educational pursuit. After all, our enrolled population is an unconventional minority, those that may not be able to receive support elsewhere, and it is our aim to provide quality education and equal opportunity to families like these.

In closing, I believe we should remain a school of choice, an alternative to conventional education systems which supports individualized education. It is the little details like these that makes charter schools stand out among educational options for many families. As leaders in the collective of California charter schools, I believe the motion toward inclusivity for paid vendor participation for all independent-study students regardless of immunization status would provide a good example in upholding charter school values, setting the bar so to speak. Thanks so much again for your time.

Board of Directors c/o Shari Lovett, Director Northern United - Humboldt Charter School 2120 Campton Road, Suite H Eureka, California 95503

Board of Directors:

The firm of David L. Moonie & Co. would like to take the opportunity to express its interest in providing audit services for the Northern United - Humboldt Charter School (the Charter School).

Based on our previous audit experience with your Charter School, we will provide auditing and professional services for the Charter School on a contract basis for the fiscal year ended June 30, 2022 for \$14,500. Our estimated maximum fees for the alternative option of three fiscal years are as follows:

	Fiscal Year Ending June 30,			
	_2022	2023	2024	
All Funds Audit	\$14,500	\$14,500	\$14,500	

Our proposed audit fee reflects an increase of \$1,500 over the prior year audit fee. Please note that the prior year fee had not increased since June 30, 2019. The increase is partially due to general cost of living increases, but also to changes in accounting and auditing standards and continued changes in State program audit requirements. Please also note that there are no further scheduled increases in the audit fee for the entire three-year period of this proposal.

David L. Moonie & Co., LLP has been conducting governmental audits for over 80 years and has performed over 1,000 school district and charter school audits. For the fiscal year ended June 30, 2021, we audited twenty-one school districts and six independent charter schools. Our firm currently has eight professional staff members, five of whom are partners, and five who have extensive auditing experience. All partners are CPAs. We anticipate that Mark Wetzel, CPA will be the auditor in charge of your audit field work for the 2021-2022 school year. Mark is a partner in the firm and has thirty-six years of experience in auditing school districts and charter schools. A key component of our firm's system of quality control is our membership in the AICPA peer review program. We have received an unmodified opinion in each of our external peer reviews. A copy of the most recent peer review report is attached.

Board of Trustees c/o Shari Lovett, Director Northern United - Humboldt Charter School February 28, 2022 Page 2

In this time of an ever-changing business environment, it seems prudent to seek the best resources and professional advice available. Each accounting firm has its own auditing approach and philosophy, but we are committed to providing quality accounting services. In our opinion, even the smallest Charter School's annual audit cannot be performed in less than 120 hours. For each and every school district and charter school audit that we perform, there is also testing of documentation obtained from the Humboldt County Superintendent of Schools, the Humboldt County Auditor-Controller's Office, the Humboldt County Treasurer's Office, as well as the on-site or remote fieldwork at your Charter School. We use analytical review, sampling, and substantive testing to ensure that the audit is conducted in a manner that complies with applicable laws, regulations, and generally accepted governmental auditing standards.

We work with administrative personnel throughout the audit, and as needed, throughout the year. An integral part of the audit is the review of the internal control system and discussions with management. Part of our philosophy is to assist management by making suggestions and recommendations for improvements in the accounting system and fiscal policies.

An auditor must have independence of mind (a state of mind that permits the performance of an audit without being affected by influences that compromise professional judgment), and maintain independence in appearance (the absence of circumstances that would cause a reasonable person to conclude that the integrity, objectivity, or professional skepticism of an audit organization or audit team member had been compromised). We are independent, and our mental attitude will allow us to act with integrity and objectivity. We are bound by our personal and professional ethics and standards to withdraw from any audit engagement in which we are not independent in mind or appearance.

Every year our firm spends thousands of dollars on continuing education (CPE). Through our firm's quality control system, we ensure that all certified public accountants have 80 hours of CPE every 2 years, as required by professional standards. We want to be prepared to respond to all your financial and management concerns. Our firm has been well represented at audit conferences covering governmental audits within the last two years, including the annual School District Auditing Conference and the Governmental Auditing and Accounting Update Conference.

Our clients can be assured that we will be available in years to come. We look forward to continuing to be of service to the school districts and charter schools of Humboldt County. We are willing to meet with you to discuss this proposal and any questions you may have.

Report on the Firm's System of Quality Control

To David L. Moonie & Co., LLP and the Peer Review Committee of the California Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of David L. Moonie & Co., LLP (the firm) in effect for the year ended December 31, 2019. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under Government Auditing Standards, including compliance audits under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of David L. Moonie & Co., LLP in effect for the year ended December 31, 2019, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency (ies) or fail. David L. Moonie & Co., LLP has received a peer review rating of pass.

Humboldt Regional Director Board Report 3-10-22

What's happening Schoolwide?

A. The Poetry Out Loud county competition was held at the Morris Graves Museum in Eureka on 2-6-22. School winners recited two poems each. Our student, Evie Dowd, won first place and will now advance to the state competition which will be held on zoom later this month.

B. Rebekah, Cheryl, and Janna wrote a grant to Humboldt Autism Alliance for a sensory classroom. We were awarded \$1,900.

- C. At the March Teacher Circle, Jen Rand and Sara Thompson will cover best practices in visual arts.
- D. Our WASC visit will be 3/21-23.

What's happening at The Branches?

- A. Janna and Crystal recorded their presentation on Growth Mindset, SEL tips, and Mindfulness and sent it to families.
- B. The March Family Ties newsletter will cover tips for transitioning from middle school to high school.

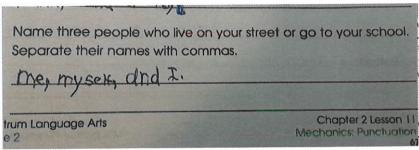

What's happening at Individual Learning Centers that is Newsworthy?

A. Heather Scharlack shares interesting student art reflecting Minecraft.

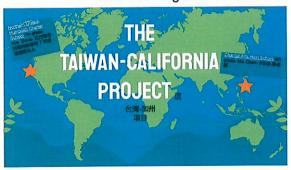

These are not her only students whose art is beginning to reflect their passion with Minecraft.

B. Heather also shares a comical response from one of her students.

C. Rebekah's 7th grade class at CLC was chosen to participate in the Taiwan-California Project. The students from each class will become pen pals and work together to share their community and culture with each other.

D. CLC celebrated 100 days of school.

E. Twelve of our 8th grade students attended Calpolyhumboldt with their teachers and counselors! They checked out an outdoor fair and took a campus tour.

F. ELC opened their new center.

G. CLC celebrated Dr. Seuss all week for his birthday and Read Across America. Their Student Council planned many fun events- crazy sock day, crazy hat day, mismatched day, and PJ day. The Student Council also decorated each classroom door with various Dr. Seuss themes. The CLC Drama Class performed "The Sneetches" while the Home Ec Class made Dr. Seuss themed treats and served them to the audience. Cat in the Hat even visited.

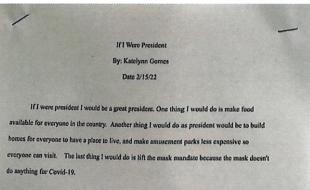

H. Crystal Linde says "We've been studying narrative writing. For Presidents Day we studied many presidents and brainstormed what we'd do if we were president. This culminated in us creating presidential portraits of our future selves and typing a paragraph about what we'd do. "

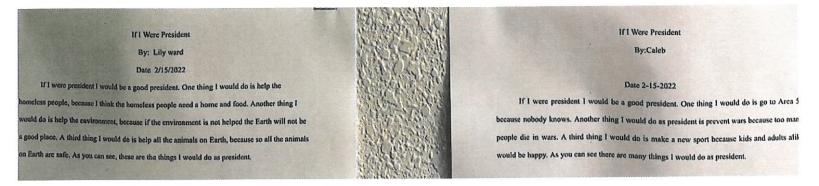

If I Were President

By: hiro

Date 2/15/2022

If I were president I would be a good president. One thing I would do is go to the office because I would need to do some work. Another thing I would do as president is lead the armed forces because to keep the country safe. A third thing I would do is to fly to places because to meet with other presidents. As you can see, these are the things I would do as president.

 Julia shares lots of wonderful things that are happening in Briceland: owl pellets dissection, music classes, Dan Levinson's poetry, gardening and science lessons, some Valentine love, and a family biking home after school!

J. Shane's March ORBE Report:

The ORBE program continued through Jan and February with a few changes that were due to the spike in COVID cases, but were able to persevere through and provided meaningful lessons and experiences for the participants. We started with mountain biking through Sumeg park with some short hikes along the rides. We were able to have a great mindful walk and art lesson at the park a few weeks later with Laura Phelan-Shahin . The third experience was a lesson in ceramics with Jen at the ALC. We finished the four week cycle with tennis lessons at the Eureka indoor tennis courts with Casey Mainsfield. During these weeks we had in depth and meaning conversations that were part of lessons on self regulation with anger, stress, ans well as anxiety management. We continue to focus on relaxation techniques that promote optimism and being proactive. We worked on ways to problem solve in family and friendship situations. All the sessions were filled with bright moments for realizing that the trust and relationship building during the time we have with these candidates is having an impact. We are hearing specifically from students that the program "makes them feel connected to others who listen" or "This is like my second family" and further, "I can talk about my issues without being judged." These are all powerful statements that encourage the adults involved that we are making a difference.

NU-SCS February 2022 Board Report

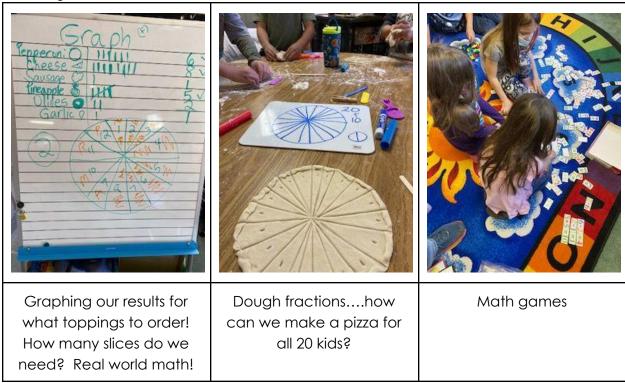

School Site Council

Meeting postponed until March 11th.

Mt Shasta LC

Andrea Marchyok:

This week we used our pizza party to draw, write and graph data for what to order on our pizzas. The Acorns (KN-2nd grade) all turned in their nightly reading logs, so the pizza party was the goal.

We are also going to Magic Mountain Farms to see the baby goats. We have visited many times and see this homestead farm as the seasons change. We will go to Redding at the end of March to see Matilda the musical at the Cascade Theater. This is exciting, we have not gone in many years! The Acorns are working on units of insects and Spring, addition and subtraction and we continue to read books from around the world as part of the Global Book Bag project that I have participated in this year. I'm part of this History/SS Community of Practice as well as the SEL Community of Practice all part of Siskiyou County office of Ed.

Paul Moore

4th graders wrapped up another topic in Math. They did well on their division test. We are currently learning about multiples and factors. In social studies, we are researching and discussing the California gold rush and its effect on California. In PE, the kids love playing Capture the Flag.

Yreka Learning Center

Kate O'Brien

CTE Sustainable Agriculture class has been studying the expanse and history of agriculture of Siskiyou County. We'll be visiting the Siskiyou County Museum twice this week: once to spend time in their indoor facility and once again to be in their outdoor display area.

Elizabeth Clause

We are kicking off two fundraisers for our graduation ceremonies and field trips. One is a penny drive, which is geared towards elementary students. The other is a penny war, in which 9th and 10th grade students compete with 11th and 12th graders to see who can earn the most money and win the most points, ice cream bars being the prizes. Here are the rules:

Each group has their own jar for collecting money.

Gain Points by adding pennies and bills to your jar.

Lower the other group's totals by adding silver coins to their jar.

POSITIVE POINTS

\$5 BILL = **+500** POINTS

\$10 BILL = +1,000 POINTS

NEGATIVE POINTS

NICKEL = -5 POINTS

DIME = -10 POINTS

QUARTER = -25 POINTS

6.1 Discussion of the Triennial Assessment for the NUCS Wellness Policy

Action Requested:

Information

Previous Staff/Board Action, Background Information and/or Statement of Need:

Every three years school food authorities (SFAs) are required to assess their Wellness Policy. This is the third year of Northern United Charter Schools being an authorized SFA, therefore we conducted an assessment of our Wellness Policy and the results have been posted to the website. Please see attached.

Fiscal Implications:

None at this time

Local Education Agencies (LEAs) must conduct a comprehensive assessment of the Local School Wellness Policy (LSWP) a minimum of once every three years, beginning no later than June 30, 2020. The 2020 triennial assessment requirements are: 1) comparison to a model policy; 2) progress with the LSWP goals; and 3) compliance with the policy. The structure of the assessments prior to 2020 is up to LEAs. For triennial assessments conducted 2020 and later, LEAs may choose their methods to meet the three requirements outlined above. One online tool recommended for model policy comparison is the Well SAT, which can be located on the Well SAT website at http://www.wellsat.org/. LEAs may use action planning documents containing timelines, goals, and tasks to assist in measuring progress and compliance with the policy, such as the School Health Index online tool located on the Center for Disease Control and Prevention website at https://www.cdc.gov/healthyschools/shi/index.htm . LEAs must also make the results of the triennial assessment available to the public. LEAs may use this California LSWP Triennial Assessment Guidance to organize their notes regarding the 2020 assessment. Remember, LEAs should keep a copy of the most recent, dated assessment available to show during the school food authority administrative review. Please note that before June 30, 2020, LEAs still must conduct an assessment but there are no guidelines for the content or scope.

Please summarize successes and barriers by school year:

The Local School Wellness policy for Northern United Charter schools was successfully written and adopted by the board on 2/25/2020. It includes topics such as the wellness council, goals for nutrition, physical activity and other wellness activities, nutrition guidelines for all foods available at school, program implementation and evaluation, notifications and records.

On 11/10/21, the wellness policy was updated to include protocol on keeping students and staff safe from Covid-19, based on federal and state guidelines. Also during this revision, the non-discrimination statement was updated to the most recent, full version.

Plans for improvement of the wellness policy and its implementation include increasing parent/community involvement by giving parents easy access to the policy through Parentsquare and encouraging participation in a wellness committee.

S-35 Wellness Policy

Adopted on 2/25/2020, 11/10/2021 Revised and Adopted on 1/18/2022

Northern United Charter Schools recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for Northern United Charter Schools' students. The Northern United Charter Schools' School Director or designee shall coordinate and align School efforts to support student wellness through health education, physical education and activity, health services, nutrition services, psychological and counseling services, and a safe and healthy school environment. In addition, the Northern United Charter Schools' School Director or designee shall develop strategies for promoting staff wellness and for involving parents/guardians and the community in reinforcing students' understanding and appreciation of the importance of a healthy lifestyle.

School Wellness Council

The Northern United Charter Schools' School Director or designee shall encourage parents/guardians, students, food service employees, physical education teachers, school health professionals, Board members, school administrators, and members of the public to participate in the development, implementation, and periodic review and update of the Northern United Charter Schools' student Wellness Policy. (42 USC 1758b; 7 CFR 210.30)

To fulfill this requirement, the Northern United Charter Schools' School Director or designee may appoint a school wellness council or other school committee and a wellness council coordinator. The council may include representatives of the groups listed above, as well as health educators, curriculum directors, counselors, before- and after-school program staff, health practitioners, and/or others interested in school health issues.

The Northern United Charter Schools' School Director or designee may make available to the public and school community a list of the names, position titles, and contact information of the wellness council members.

The wellness council shall advise the Charter School on health-related issues, activities, policies, and programs. At the discretion of the Northern United Charter Schools' School Director or designee, the duties of the council may also include the planning, implementation, and evaluation of activities to promote health within the school or community.

Goals for Nutrition, Physical Activity, and Other Wellness Activities

The Northern United Charter Schools' Board of Directors shall adopt specific goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. In developing such goals, the Board shall review and consider evidence-based strategies and techniques. (42 USC 1758b; 7 CFR 210.30)

Northern United Charter Schools' nutrition education and physical education programs shall be based on research, shall be consistent with the expectations established in the state's curriculum frameworks and content standards, and shall be designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

The nutrition education program shall include, but is not limited to, information about the

benefits of healthy eating for learning, disease prevention, weight management, and oral health.

Nutrition education shall be provided as part of the health education program and, as appropriate, shall be integrated into other academic subjects in the regular educational program, before- and after-school programs, summer learning programs, and school garden programs.

All Northern United Charter Schools' students shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education and recess and may also be provided through school athletic programs, extracurricular programs, before- and after-school programs, summer learning programs, programs encouraging students to walk or bicycle to and from school, inclass physical activity breaks, and other structured and unstructured activities.

The Northern United Charter Schools' Board of Directors may enter into a joint use agreement or memorandum of understanding to make the Charter Schools' facilities or grounds available for recreational or sports activities outside the school day, and/or to use community facilities to expand students' access to opportunity for physical activity.

Professional development may be regularly offered to the nutrition program director, managers, and staff, as well as health education teachers, physical education teachers, coaches, activity supervisors, and other staff as appropriate to enhance their knowledge and skills related to student health and wellness.

In order to ensure that students have access to comprehensive health services, Northern United Charter Schools may provide access to health services at or near school locations and/or may provide referrals to community resources.

The Northern United Charter Schools' Board of Directors recognizes that a safe, positive school environment is also conducive to students' physical and mental health and thus prohibits bullying and harassment of all students, including bullying on the basis of weight or health condition.

The Northern United Charter Schools' School Director or designee shall encourage staff to serve as positive role models for healthy eating and physical fitness. He/she shall promote worksite wellness programs and may provide opportunities for regular physical activity among employees.

Nutrition Guidelines for All Foods Available at School

For all foods and beverages available on each campus during the school day, the School shall adopt nutrition guidelines which are consistent with 42 USC <u>1758</u>, <u>1766</u>, <u>1773</u>, and <u>1779</u> and federal regulations and which support the objectives of promoting student health and reducing childhood obesity. (42 USC <u>1758b</u>)

In order to maximize the Charter School's ability to provide nutritious meals and snacks, all School locations shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs and after-school snack programs, to the extent possible. When approved by the California Department of Education, the Charter School may sponsor a summer meal program.

The Northern United Charter Schools' School Director or designee shall provide access to free, potable water in the food service area during meal times in accordance with Education Code 38086 and 42 USC 1758, and shall encourage students' consumption of water by educating them about the health benefits of water and by serving water in an appealing manner.

The Northern United Charter Schools' Board of Directors believes that all foods and beverages sold to students at the School, including those available outside the School's reimbursable food services program, should support the health curriculum and promote optimal health. Nutrition standards adopted by the Charter School for foods and beverages provided through student stores, vending machines, or other venues shall meet or exceed state and federal nutrition standards.

The Northern United Charter Schools' School Director or designee shall encourage school organizations to use healthy food items or non- food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.

Northern United Charter Schools' staff shall encourage parents/guardians or other volunteers to support the School's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties. Class parties or celebrations shall be held after the lunch period when possible.

To reinforce the Charter School's nutrition education program, the Northern United Charter Schools' Board of Directors prohibits the marketing and advertising of foods and beverages that do not meet nutrition standards for the sale of foods and beverages on campus during the school day. (7 CFR <u>210.30</u>)

Program Implementation and Evaluation

The Northern United Charter Schools' School Director designates the individual(s) identified below as the individual(s) responsible for ensuring that each school site complies with the School's wellness policy. (42 USC <u>1758b</u>; 7 CFR <u>210.30</u>)

Shari Lovett - School Director (707) 445-2660 x110 slovett@nucharters.org

The Northern United Charter Schools' School Director or designee shall assess the implementation and effectiveness of this policy at least once every three years. (42 USC <u>1758b</u>; 7 CFR 210.30)

The assessment shall include the extent to which Northern United Charter Schools is in compliance with this policy, the extent to which this policy compares to model wellness policies available from the U.S. Department of Agriculture, and a description of the progress made in attaining the goals of the wellness policy. (42 USC <u>1758b</u>)

The Northern United Charter Schools' School Director or designee shall invite feedback on the Charter School and charter school wellness activities from food service personnel, school administrators, the wellness council, parents/guardians, students, teachers, before- and after-school program staff, and/or other appropriate persons.

The Northern United Charter Schools' Board of Directors and the Northern United Charter Schools' Director or designee shall establish indicators that will be used to measure the implementation and effectiveness of the Charter School activities related to student wellness. Such indicators may include, but are not limited to:

- Descriptions of the Charter School's nutrition education, physical education, and health education curricula and the extent to which they align with state academic content standards and legal requirements
- An analysis of the nutritional content of school meals and snacks served in all Charter School programs, based on a sample of menus and production records
- Student participation rates in all school meal and/or snack programs, including the number of students enrolled in the free and reduced-price meals program compared to the number of students eligible for that program
- Extent to which foods and beverages sold on campus outside the food services program, such as through vending machines, student stores, or fundraisers, comply with nutrition standards
- Extent to which other foods and beverages that are available on campus during the school day, such as foods and beverages for classroom parties, school celebrations, and rewards/incentives, comply with nutrition standards
- Results of the state's physical fitness test at applicable grade levels
- Number of minutes of physical education offered at each grade span, and the estimated percentage of class time spent in moderate to vigorous physical activity
- A description of the Charter School's efforts to provide additional opportunities for physical activity outside of the physical education program
- A description of other school wide or school-based wellness activities offered, including the number of sites and/or students participating, as appropriate

As feasible, the assessment report may include a comparison of results across multiple years, a comparison of the Charter School data with county, statewide, or national data, and/or a comparison of wellness data with other student outcomes such as academic indicators or student discipline rates.

In addition, the Northern United Charter Schools' School Director or designee shall prepare and maintain the proper documentation and records needed for the administrative review of the Northern United Charter Schools' Wellness Policy conducted by the California Department of Education (CDE) every three years.

The assessment results of both Northern United Charter Schools and state evaluations shall be submitted to the Northern United Charter Schools' Board of Directors for the purposes of evaluating policy and practice, recognizing accomplishments, and making policy adjustments as needed to focus school resources and efforts on actions that are most likely to make a positive impact on student health and achievement

Notifications

The Northern United Charter Schools' School Director or designee shall inform the public about the content and implementation of the Northern United Charter Schools' Wellness Policy and shall make the policy, and any updates to the policy, available the public on an annual basis. He/she shall also inform the public of the Charter School's progress towards meeting the goals of the Wellness Policy, including the availability of the triennial School assessment. (Education Code 49432; 42 USC 1758b; 7 CFR 210.30)

The Northern United Charter Schools' School Director or designee shall distribute this information through the most effective methods of communication, including school or school newsletters, handouts, parent/guardian meetings, School web sites, and other communications. Outreach to parents/guardians shall emphasize the relationship between student health and wellness and academic performance. Each Northern United Charter Schools' location may post a summary of nutrition and physical activity laws and regulations prepared by the CDE.

Records

The Northern United Charter Schools' School Director or designee shall retain records that document compliance with 7 CFR 210.30, including, but not limited to, the written student wellness policy, documentation of the triennial assessment of the Wellness Policy for each Charter school site, and documentation demonstrating compliance with the community involvement requirements, including requirements to make the policy and assessment results available to the public. (7 CFR 210.30)

COVID-19

Northern United Charter Schools follow guidelines related to COVID-19 hazards and prevention controls set forth by the California Public Health Department, Humboldt and Siskiyou County Public Health Departments, Cal/OSHA, and the CDC. Staff and students are screened using non-contact thermometers and by answering a list of COVID-19 Screening Questions upon arrival each day. Masks are worn indoors at all times by both staff and students. Masks are provided, when necessary. If an employee or student has a medical exemption for a mask, a face shield with a drape will be used. When masks are removed while eating, staff and students maintain six feet of physical distancing. While masks are worn, six feet of physical distancing is maintained, where possible. Solid partitions, reducing the numbers of people within rooms, workstations and desks facing the same direction are all engineering controls implemented. Additionally, windows and doors are kept open to the extent possible. Ventilation systems are properly maintained and adjusted, by replacing the filter with MERV-13 filters as often as recommended. Air purifiers are used in each class or office space. Staff and students are instructed in the proper use of masks. Staff, students and parents are informed of signs and symptoms of COVID-19 and reminded to stay home when sick. Staff and students are also instructed in proper handwashing and sanitizing procedures. All facilities are cleaned and disinfected frequently, with special attention to frequently touched surfaces. All employees and volunteers who do not show proof of being fully vaccinated against COVID-19 are tested on a weekly basis or prior to volunteering. All of the public health measures mentioned above will be taken as long as Humboldt County and Siskiyou County have a high or substantial transmission rate and threats of both the Delta and Omicron variants are high.

Nondiscrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.
