2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Northern United – Siskiyou Charter School students are educated through personalized learning programs. Within that context, students may participate in cooperative classes, learning centers, supplemental learning projects, distance learning via current technology and community-based education. Parents who enroll their children in the Charter School are co-facilitators of their child’s education. The parents can become the primary facilitators in their children’s learning program if they choose. The Charter School works with its students and parent facilitators by providing them with educational resources, an assigned independent study teacher, and access to a team of educational staff. All teachers hold a Commission on Teacher Credentialing Certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold, and are selected by the Charter School Administration and approved by the Board of Directors. Parents/guardians and their children may collaborate with their teachers to determine their educational goals and objectives, create their individualized curriculum, and determine their individual methods of teaching and learning. The program parents select determine the degree to which the teacher is involved. This involvement may vary from an advisory and assessment capacity to one of complete administration of the student learning process. Professional learning and parent education are available and encouraged.

The Core Beliefs

1. Students come first.
2. Each student has the right to a personalized education.
3. A continuous cycle of improvement is essential for the success of our students.
4. The success of each student is the shared responsibility of all stakeholders.

The Vision

Northern United – Siskiyou Charter School, a school wherein every student is future-ready:

- Ready for personal success.
- Ready for college.
- Ready for the global workplace.

The Mission

Northern United – Siskiyou Charter School, in partnership with parents and community, will engage all students in a comprehensive education, preparing them to be confident, competent and proactive citizens in a diverse society.

2023-24 School Description and Mission Statement

Strategic Goals of the Mission:

Goal 1

Northern United – Siskiyou Charter School will design dynamic learning experiences to ensure that all students are future-ready learners.

Goal 2

Northern United – Siskiyou Charter School will recruit, develop, retain and recognize an exceptional, highly motivated staff to optimize student engagement, and learning.

Goal 3

Northern United – Siskiyou Charter School will communicate in a timely, open manner and engage parents and community members in positive partnership opportunities in our schools.

Goal 4

Northern United – Siskiyou Charter School will provide resources and support systems that enhance a positive learning environment and foster student and community pride.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. School Facility Conditions and Planned Improvements

Northern United – Siskiyou Charter School is a nonclassroom based charter school and does not own any facilities. However, several facilities are leased throughout Siskiyou County in order to best meet the needs of our students. Currently, Northern United – Siskiyou Charter School leases facilities in Yreka and Mount Shasta. FIT data was collected at each of these facilities and the safety, cleanliness and adequacy of each facility was determined to be good. There are no planned facility improvements and there is no needed maintenance to ensure good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	20	21	18	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 Career Technical Education Programs

Northern United - Siskiyou Charter School is a personalized learning school. This means that students are encouraged to enroll in courses and experience opportunities that are specifically relevant to them. Our students have the ability to enroll in a variety of courses from our extensive course list. We offer a variety of career technical courses, including Work Experience, 3D Game Design, Animation, Coding, Culinary Arts, Fashion and Interior Design, Forestry and Natural Resources, Intro to Business and Marketing, Intro to Manufacturing, Child Development, Home Economics, Intro to Military Careers, Nutritional and Wellness and Computer Applications. Get Focused, Stay Focused is a course offered to all high school students. This course is designed to provide every student with the necessary information and experiences to develop college and career readiness skills as well as facilitate the development of an online 10-year Career and Education Plan. In addition, an Agriculture Education and a Digital Media Arts CTE pathways are offered to our students.

2022-23 Career Technical Education (CTE) Participation

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent involvement in the governance of the school is made available through participation in the Board and the Parent Advisory Committee. The Board currently has three parent members, and we will always seek to have parent representation on the Board. Board minutes and sign in sheets confirm parent participation. In addition to the Board, our Parent Advisory Committee has parent members who contribute to our school governance.

Parent engagement groups are another way in which parents stay involved in NU-SCS. These groups are designed so that parents can meet regularly and share resources and ideas for working with their children at home. A NU-SCS staff member is present at these meetings to gather suggestions and feedback, as well as provide guidance about best practices for instructing students. With the implementation of these support groups, authentic, two-way communication occurs regularly between parents and teachers concerning the academic success of students at NU-SCS. Sign in sheets allow NU-SCS to account for parental involvement.

Other methods to encourage ongoing parental involvement at NU-SCS include, but are not limited to participation in the annual satisfaction and LCAP surveys; volunteering in the classroom; tutoring; attending parent-teacher conferences; attendance at charter school board meetings; participation in the planning of, or attendance at, fundraising or academic events, or other activities. A parent handbook is distributed to parents to inform them of all aspects of having a student enrolled in a nonclassroom based independent study charter school.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Professional Development

Northern United - Siskiyou Charter School requires three full days of professional development of the teaching staff. The three days provided by the school are delivered at full-day pre and inservice days. Additionally, staff attend nine monthly two-hour long staff meetings that include professional learning. Staff are also encouraged to self-select professional development. The self-selected professional development may occur online or in-person by attending a conference or workshop provided by an outside agency, such as our county office. The professional development focuses on instruction in core subjects, school climate and culture, school safety, teaching strategies, and best practices. These topics are based on metrics reviewed during our LCAP meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.
