High School Questionnaire

2023-2024

This survey asks about your behavior, experiences, and attitudes related to your school, health, and well-being. The survey also includes questions about use of alcohol, tobacco, and other drugs, and bullying and violence.

The survey is **anonymous** and **confidential**. No one will ever be able to connect you with your answers. Your answers are private.

You do not have to answer these questions, but your answers will be very helpful in improving school and health programs. **You will be able to answer** whether or not you have done or experienced any of these things.

This survey asks about things you may have done during different periods of time, such as during your **lifetime** (you ever did something), or the past **12 months**, or **30 days**. Each provides different information. Please pay careful attention to these time periods.

Thank you for taking this survey!
